

Stand and Pray 19 x 29 in. POSTER. Print, Cut edges, and tape to a 20in x 30in Foam-core board that can be had for \$1 at “Dollar Tree” or “Dollar General”. Start at bottom right and leave 1/2in. of foam board exposed on side and bottom . Work up right side from bottom to top leaving 1/2in. space on right edge. Then do the left side starting at bottom. Then cover the whole sign with Clear 2in packing tape. Start at bottom and overlap each tape row 1/4in. I find it helpful to mark the top edge of each completed tape row at the right & left edges so I can see where to put the next row. Please let me know how this poster works out for you. Thanks, your brother in Christ, Tony Walker. 865-242-7541
